

Dear Parents,

St. Ann School is blessed to be one of more than 300 schools, across seven arch/dioceses, participating in the Catholic Alumni Partnership (CAP). CAP is a groundbreaking program – enabling us to reconnect with and re-engage our alumni for ongoing support. In the Archdiocese of New York, we are one of 51 schools participating in a pilot program. Mr. Michael Vicario has been working closely with CAP staff to identify our alumni and create opportunities for those individuals to become active members of our school community.

CAP is a new, privately funded initiative to support Catholic elementary schools by implementing strong, sustainable annual fundraising programs for each participating school, with alumni support as the foundation. Funds raised through this initiative will directly benefit St. Ann School, to help us continue to provide your children, and future generations, with a high quality Catholic education.

We are appreciative of this new and innovative opportunity to help St. Ann School meet the increasing financial demands that we encounter. I am confident that graduates will embrace the St. Ann School community that provided a foundation of life success for them. They will be helping to ensure that foundation will be present for other young people.

Are you a graduate of Catholic elementary school? If so, go to www.clickYES.com to see if your school is participating in CAP.

Thank you for your continued support of St. Ann School.

Sincerely,
