June News 2016-2017

Dear Saint Ann's Parents,

We are nearing the end of another successful school year here at Saint Ann's. June is always such a busy time of year. As we wind down the school year there will be a lot of events still happening. Our 8th grade students are getting ready to graduate. To these families, we say thank you for sharing your wonderful children with us and for supporting our school. Congratulations to our 8th grade class of 2017 graduates! As they are about to embark on a new and exciting journey in their lives we wish them all the luck in the world. We wish you and your families the best and hope you will come and visit us often! The class of 2017 will greatly be missed.

At the same time our Pre-Kindergarten and Kindergarten students are getting ready for their "moving up" ceremonies. Another special congratulation goes out to our Pre-K and Kindergarten students as they move up to the next level of their academic lives. These students have all accomplished so much this year and we are all so proud of them! Congratulations to our basketball and volleyball players and coaches on a great season!

As we look toward the next school year, your child's ending point will be our beginning point for planning. Plans are underway for next year with schedules to be formed, class lists to be organized, and the curriculum to be reviewed. This has been a very exciting year at Saint Ann School. Through very generous donations we were able to purchase 60 Chrome Books for our school. Our buildings wireless system has been updated to allow for our students to use their new Chrome Books throughout the day. Thank you to Father Carrozza for having installed all new LED lights throughout the school building in addition to the security lights on the exterior of the building. We are very excited to be working with Liebmann's Uniforms who will be providing our new uniforms beginning in September.

Our new website went live on Wednesday, May 17, 2017. We had been hard at work to make the website more informative, useful to our school families, and easy to navigate. Our website address has remained the same at www.stannschoolyonkers.org. As I've stated before, Saint Ann's community would be able to view pictures of our school events as well as read about current and upcoming events from the school. In addition, our website features many new and beautiful pictures of our school, students, faculty and events. I encourage you to check the website on a regular basis, and spread the word to others.

Our first day of school for the 2017-2018 school year will be Thursday, September 7, 2017. Our Summer Packet will be sent home within the next couple of weeks with more information pertaining to the 2017-2018 school year.

As I hope you all have an enjoyable and relaxing summer. Please remember your obligation to attend Mass and participate in the Sacraments during these summer months. Contact the main office with any questions, concerns, or comments you may have. The end of a school year is always a time for celebration, reflection, and farewell. We look forward to serving those of you who will be joining us next year.

May God Bless you always.

In Christ's Love,

Mr. Michael Vicario
Principal
