October News 2017-2018

Dear Parents,

The 2017-2018 school year is off and running and I can't believe we are already into our second month of school. It was great to have the opportunity to meet with many of you at our recent Back to School nights. I would like to thank all the parents and students for an excellent school opening, and encourage students to get involved in our enrichment programs. Back to School Nights are great opportunities for parents to begin to build a relationship with their children's teachers. Our teaching and support staff worked hard to prepare our classrooms and building for a smooth opening. It is clear that our parents did their part, as well, in getting their children to start with a positive attitude. Thanks to all!

As the reality of school is becoming more tangible, I would like to remind you of some important items:

- Students are not to call home for forgotten homework or gym clothes. Only forgotten lunches will be delivered to the students.
- Students are not permitted to use cell phones during the school day.
- **REMBER TO RETURN ANY AND ALL FORMS ON THEIR DUE DATES**
- **Remember to make an appointment with your child's teacher if you need to meet with them.**
- **Unannounced morning visits are not permitted and are disruptive to the class. We appreciate your cooperation in this matter.**
- Office Hours: 9:00am – 11:00am and 12:30pm – 2:00pm. Please make an appointment when needed.
- Don't Forget – **NO DOUBLE PARKING**
- Remember to attend Mass every weekend and Holy Day.
- Check your child's book bag every night for important information.
- **Students must now wear their gym uniform pants – No More Shorts – Effective 10/2/17**
- **MAP Testing will be ending October 13th.**
- **PLEASE REFER TO THE OCTOBER CALENDAR ON THE REVERSE SIDE TO VIEW THIS MONTHS IMPORTANT EVENTS!!**

Responsibility is an important trait for all of us to have. We must allow our children to develop this value through their actions and the consequences of those actions. Maintaining a safe, orderly and positive learning environment for our students is, as always, a very high priority.

A special thank you to our Home School Organization for all of their hard work in putting together the first few fundraiser of the year. I hope to see you all at our other fun filled events throughout October. Feel free to contact the school with any comments or concerns that require clarification. We are here to serve our community, together we make a difference.

In Christ's Love,

Mr. Michael Vicario
Principal

Have a Happy and Safe Halloween!!
